

It's that time again! SNERRO Schedule Time!! Please take a few minutes and fill out the questionnaire below and return it to me right away. I need written or email confirmation of your race data. Please! If you want your race listed in the 2014 SNERRO Schedule, fill out and return the questionnaire. Make copies if you need more than I've provided. Sorry, I can't accept verbal or phone responses, email, however, is fine. If I don't receive a completed questionnaire or email, your race will not be listed for 2014.

SNERRO was not hired to time your race in 2013, we still list the race on snerro.com, but we need written (or email) responses to this questionnaire for the listing.

Please contact pete@snerro.com with questions or if you want to contract SNERRO for timing services, we now offer MyLaps Bib Tag chip timing.
